Operating systems

Operating systems listed in this section should be either without Service Pack or with the latest Service Pack available at the time of Sage CRM 2017 R3 release.

Note: Install the latest updates for your version of Windows.

Sage CRM server

Requirement	Details
Operating system	<ul style="list-style-type: none">• Microsoft Windows Server 2016• Microsoft Windows Server 2016 Essentials• Microsoft Windows Server 2012 R2• Microsoft Windows Server 2012 R2 Essentials• Microsoft Windows Server 2012• Microsoft Windows Server 2012 Essentials
Web Server (IIS)	The computer on which you plan to install Sage CRM must have the Web Server (IIS) server role installed. Sage CRM supports Web Server (IIS) supplied with the operating systems listed above.
Installation on a domain controller	You can install Sage CRM on a domain controller if it is running one of the following: <ul style="list-style-type: none">• Microsoft Windows Server 2016 Essentials• Microsoft Windows Server 2012 R2 Essentials• Microsoft Windows Server 2012 Essentials <p>On these operating systems Sage CRM does not support HTTPS, Remote Desktop Services, and CDONTS/CDOSYS.</p>

Client computer

You can access Sage CRM from a computer running one of the following:

- Windows 10, 32-bit or 64-bit
- Windows 8.1, 32-bit or 64-bit
- Windows 7, 32-bit or 64-bit

Database server

- Microsoft SQL Server 2016 without SP or with SP1, Standard or Enterprise
- Microsoft SQL Server 2014 SP1 or SP2, Standard or Enterprise
- Microsoft SQL Server 2012 SP3, Standard or Enterprise

Microsoft SQL Server 2014 Express supplied with Sage CRM is provided for demonstration and testing purposes only. It is not suitable for a production environment because of the following limitations:

- Maximum memory utilized (per instance of SQL Server Database Engine): 1 GB
- Maximum relational database size: 10 GB

For detailed information about all Microsoft SQL Server 2014 Express limitations, see [Features supported by the editions of SQL Server 2014](#) on msdn.microsoft.com.

Web browsers

You can access Sage CRM with the following web browsers:

Browser	Must be installed on
